Re: Sioux Rural Water v. Watertown , CIV. 15-1023

I have looked at the complaint. Some reference is made in paragraph 39 on page 7 to action in progress by the city to provide water service to a parcel located near the intersection of Pheasant Ridge Road and U.S. Highway 212. The allegation, as I understand it, is not to the effect that this is an existing customer of the plaintiff but to a potential customer within the plaintiff's alleged service area. Do I understand correctly that there is no request for a temporary restraining order and thus no need for a prompt hearing?

Unless I hear from you to the contrary, I will assume that this lawsuit will take its usual course.
